

Announcement: SCSSA President Lars Clemensen Elected to Executive Committee of NYSCOSS

SCSSA President, Lars Clemensen, has been elected to a two-year term on the Executive Committee of the New York State Council of School Superintendents. This election demonstrates that what superintendents in Suffolk County already know about Lars, is being recognized across the state. Lars is a dedicated, child centered, educational leader with a strong moral compass and an unwavering commitment to the future of public education. He has provided outstanding leadership at the regional level and will do the same at the State level. The SCSSA is proud that a member of our ranks has agreed to take on this leadership role. It's been quite some time since a Suffolk County superintendent has led the Council, William Brosnan in 2004-05. This election is an initial step towards Lars becoming an officer and then moving through the chairs. With our continuing support, Lars can do this. Please join in offering congratulations to Lars, and support his efforts in the years to come.
