

SCHOOL DISTRICT ADVOCACY ACTION PLANNING

School District: _____

Directions:

Assign a facilitator for your group. Then review the guiding questions for advocacy below:

STEP 1

Based on a review of the information presented and your district-specific data, consider:

- What steps will you take to develop or build upon relationships with your elected officials?
- What data is important to include as you seek to develop your districts unique story?
- How does this impact your local advocacy priorities?

STEP 2

Complete the
Accompanying Chart:
Action Steps to Advocacy
Planning Document

- Develop your story and your district's Local Priorities for Advocacy (2-4 Priorities)
- Decide what data points you will utilize to drive your story and educate your target audience.
- Decide who will be involved in the advocacy and your target audience with your advocacy efforts.
- Decide when you will engage in the advocacy work.
